The Hardware

- * 336 MHz XBurst Jz4720 MIPS-compatible CPU
 - * display: 3.0" color TFT
 - * resolution: 320 x 240, 16.7M color
 - * dimension (mm): 99 x 75 x 17.5 (lid closed)
 - * weight: 126 g (incl. battery)
 - * DRAM: 32MB Synchronous DRAM
 - * headphone jack (3.5 mm)
 - * SDHC microSD
 - * 850mAh Li-ion battery
 - * 2GB NAND flash memory
 - * mini-USB: USB 2.0 High-Speed Device
 - * speaker and microphone
 - * full qwerty keyboard
- more info: nanonote.cc

The Community

- * software sources and development
 - * hardware schematics and new projects
 - * help, advice and tutorials
